Luvvie Ajayi

NYTimes Best-Selling Author. Speaker. Techie.

Professional Troublemaker. Touched by Oprah.

AwesomelyLuvvie.com, BlackWomeninPolitics.com

Jeff has been an invaluable teammate to have on the Black Women in politics database. He took initiative to reach out to us when he saw he could concretely contribute to the project we gave ourselves, and what he has built has benefited thousands of people. He's great to work with, also, giving clear expectations and getting things done properly and quickly. I'd work with Jeff again, no doubt!
